Living Area
1733sq.ft.

1000 SERIES

While this country-style home makes an ideal retreat cottage, it is equally well suited for year-round suburban living. Linked family living spaces—living room, dining room, kitchen and den—encircle the central staircase that leads to the bedrooms and bathrooms on the upper level. Generously sized outdoor living spaces wrap around three sides. For more details, log onto www.Home-Plan-Weekly.com, or call 1-800-634-0123.
