

Owners might enjoy keeping one side of this upscale duplex as a vacation retreat, while renting out the other half to help pay for it. Double walls provide extra sound buffering between the two units, and an exterior wall separates the covered patios. Vaulting and a wealth of windows create a bright and spacious living and dining area. For more details, log onto www.Home-Plan-Weekly.com, or call 1-800-634-0123.
